

Proposed activity

Field	Content
Name of Division/Office	Classification, Human Rights and Copyright Division, Classification Operations Branch
Title	Classification – Fee Review [Amendment to the Classification (Publications, Films and Computer Games) Regulation 2005 to prescribe new fees arising from the review of classification fees.]
Description of issue	Classification services are provided on a cost recovery basis. The current fees were implemented in 2005 for a period of three years. In line with the cyclical review of the fees, review activity has been set down for 2008-09.
Date of effect	Early 2009
Consultation Opportunities	Industry will be consulted on the structure and level of fees, likely demand and technological change issues.
Expected timetable	It is anticipated that new fees will be prescribed by early 2009.
